### **Citizens Round: Redpoint format**

- 40 boulder problems from V0 – V8
  - 1 being the easiest and 40 being the hardest.
- 3 hours of climbing w/unlimited attempts.
- Record all your tops and attempts. Mark completed climbs with 2 peer initials on the provided scorecard.
- The top 5 climbs will determine your final score. Attempts will be used as a tie breaker.
  - In the case of a tie in both final score AND attempts, the least number of attempts of your highest point climb(s) will act as the tiebreaker.
- Ranking is based on the highest score in each category.
- Organizers reserve the right to move competitors up to the next category based on competitor's performance.
  - Please choose your category wisely.

### **Open Qualifier: Modified Redpoint Format**

- 8 dedicated boulder problems for each open division.
- 3 hours of climbing w/unlimited attempts.
- Record all your attempts, zones and tops for each climb. Mark all climbs with 2 peer initials on the provided scorecard.
- Boulder problem breakdown
  - Start: 4 points start. 2 for hands and 2 for feet.
  - Zone: (must show usage of hold that show progressive movement)
  - Top: (must show control with both hands)
  - Attempt: (counts when all 4 points leave the ground)
- Ranking is based in the order of most Tops, most Zones, least Top attempts, and least Zone attempts.
- Top 6 competitors in each division will advance to finals. Invited competitors will be contacted once Session 1 scores are compiled.
- Isolation opens at 6:00p and closes at 6:30p
